Yep, the paper's in, but of course that's o
only one thing..reports on nume ous pages of Sp
inoza's philosophy..oh millions of other things,
and there has to be time off for letters if it
means midnight. Press Board increasing. Went
to interview Miss Hart about Gertrude Stein last
night cause she went to school with her, and
stayed to talk about life in general, California
in particular, Ponona, which she knew an of
which she was very fond,. She, however, didn't
want to be quoted as she doesn't see any worth
in Gertie's juggling of words like balls, so
any information I got is strictly for private
consumption .more time, more space, I'll tell
you what she said. How are you? I'm fine.
